

MatrikonOPC USER GROUP

Houston, Texas, April 16, 2009

Would you like to be a Speaker at the MatrikonOPC User Group?

We are seeking industry experts, integrators, and manufacturers who can share their OPC experience. Case studies discussing the business benefits of implementing OPC technologies, cost effective strategies using OPC as well as installing and optimizing security measures using OPC would be ideal presentations.

Presentations should be geared towards:

- Engineers
- End Users
- Integrators
- Beginner and Advanced users

Presentations should be about no more than 30 minutes in length including about 5-10 minutes for questions and/or comments.

Presentations should focus on:

- How OPC can save you money
- Why implementing security is vital
- Best Practices
- Standardization on OPC

Benefits for speakers include:

- International Exposure
- Recognition as Industry Leader
- Program Listing
- Presentation being posted on the web

Submission review:

Each submission will be reviewed and evaluated based on content and relevance to the theme of the User Group. We will let you know whether your presentation has been chosen by March 9th. We encourage you to submit multiple abstracts for consideration.

If you have any questions, please let me know via email:
